1.2 Interpretation:

- (a) Any reference to the **Customer** in these Conditions shall, where the context so permits and where the Customer is purchasing the Goods and/or Services on behalf of a third party, be deemed to include a reference to the **End User**.
- (b) Any words following the terms **including, include, in particular, for example** or any similar expression shall be construed as illustrative and shall not limit the sense of the words, description, definition, phrase or term preceding those terms.
- (c) A reference to **writing** or **written** includes fax and email.

2. Basis of contract

- 2.1 The Order constitutes an offer by the Customer to purchase Goods and/or Services in accordance with these Conditions.
- 2.2 The Order shall only be deemed to be accepted when Alliot issues written acceptance of the Order at which point and on which date the Contract shall come into existence (**“Commencement Date”**).
- 2.3 Any drawings, descriptive matter or advertising issued by Alliot and any descriptions of the Goods, Software or Services contained in Alliot's catalogues or brochures are provided for the sole purpose of giving an approximate idea of the Goods, Software and/or Services so described. They shall not form part of the Contract nor have any contractual force.
- 2.4 These Conditions apply to the Contract to the exclusion of any other terms that the Customer seeks to impose or incorporate, or which are implied by trade, custom, practice or course of dealing.

2.5 Any quotation given by Alliot shall not constitute an offer, and, unless otherwise agreed in writing, is only valid for a period of 20 Business Days from its date of issue.

2.6 No Order may be cancelled without Alliot's prior written consent. If cancellation is agreed, the Customer shall make payment to Alliot of all costs reasonably incurred by Alliot in fulfilling the Order up until the date of amendment or cancellation.

3. Goods and Software

3.1 The Goods are as described in Alliot's catalogue or on Alliot's website but Alliot reserves the right to amend the specifications of the Goods and/or Services if required by any applicable statutory or regulatory requirement.

3.2 If any Goods ordered are stored by Alliot at the Customer's request or after notice has been given that the Goods are ready for despatch the Customer shall reimburse Alliot for all reasonable storage costs and expenses (including any necessary insurance).

3.3 Alliot warrants that any Software supplied or licensed by it will operate substantially in accordance with, and perform, the material functions and features as may be specified.

3.4 Where the Customer takes any Software from Alliot, the Customer shall abide by any third party software supplier's terms of use and, in respect of any Software:

(a) the Customer shall not modify, adapt, develop, create any derivative work, reverse engineer, decompile, disassemble or carry out any act otherwise restricted by copyright or other Intellectual Property Rights in the Software except and only to the extent that it is expressly permitted by applicable law;

(b) the Customer shall not carry out any dishonest or fraudulent action through the account management capabilities of the Software and any such activity will entitle Alliot to suspend or terminate the Services or the use of any Software.

4. Delivery of Goods

4.1 Alliot shall deliver the Goods (or arrange for the Goods to be delivered) to the location set out in the Order or such other location as the parties may agree ("**Delivery Location**") at any time after Alliot notifies the Customer that the Goods are ready. If a courier delivers Goods to the main entrance of the Delivery Location, delivery to a receptionist in such event shall be deemed to be effective delivery. Unless the Customer arranges its own delivery of the Goods, any costs associated with the delivery (and where appropriate, the export and import of the Goods) shall be invoiced to the Customer. Delivery of Goods shall be completed on the completion of unloading of the Goods at the Delivery Location.

4.2 Any dates quoted for delivery of the Goods are approximate only, and the time of delivery is not of the essence. Alliot shall not be liable for any delay in or failure of delivery caused by a Force Majeure Event or the Customer's failure to provide Alliot with adequate delivery instructions or any other instructions that are relevant to the supply of the Goods. If the Customer changes the delivery address or date or delivery fails for some reason that is not attributable to Alliot and Alliot incurs costs from the carrier, Alliot reserves the right to charge the Customer for such costs.

4.3 If Alliot fails to deliver the Goods, its liability shall be limited to the costs and expenses incurred by the Customer in obtaining replacement goods of similar description and quality in the cheapest market available, less the price of the Goods.

- 4.4 If the Customer (or the End User, where appropriate) fails to accept delivery of the Goods within three Business Days of Alliot notifying the Customer that the Goods are ready, then except where such failure or delay is caused by a Force Majeure Event or by Alliot's failure to comply with its obligations under the Contract in respect of the Goods:
- (a) delivery of the Goods shall be deemed to have been completed at 9.00 am on the third Business Day following the day on which Alliot notified the Customer or End User that the Goods were ready; and
 - (b) Alliot shall store the Goods until delivery takes place and charge the Customer for all related costs and expenses (including insurance).
- 4.5 If after ten Business Days after Alliot notified the Customer that the Goods were ready for delivery the Customer has not accepted delivery of them, Alliot may resell or otherwise dispose of part or all of the Goods and, after deducting any reasonable storage and selling costs, account to the Customer for any excess over the price of the Goods or charge the Customer for any shortfall below the price of the Goods.
- 4.6 If a Customer requires Alliot to deliver the Goods in instalments, such instalments shall be invoiced and paid for separately. Each delivery will attract a separate delivery charge and consequently the total separate delivery charges may be in excess of the delivery charge agreed when the order was confirmed. Each instalment shall constitute a separate contract. Any delay in delivery or defect in an instalment shall not entitle the Customer to cancel any other instalment.
- 4.7 The Customer shall be responsible for inspecting the Goods on arrival and shall notify Alliot immediately if there is any damage, discrepancy or shortage or within 7 days after receipt of notice of despatch in the event of non-arrival.
- 4.8 Entirely at Alliot's discretion, Alliot may allow the Customer (or the End User, if different) to return Goods (at the Customer's cost) after delivery, provided they are unused and in pristine, unopened condition. Alliot will levy a restocking fee of 15% of the sales value of such Goods. If restocking is agreed, Alliot will only issue a credit note after the Goods have been returned and checked for damage.
- 4.9 If agreed between Alliot and a Customer, Alliot shall hold goods on a Customer's behalf (at Alliot's risk) ("**Consignment Goods**") and deliver such quantities of the Consignment Goods as the Customer may request from time to time. The Customer shall be responsible for the individual delivery charges arising in respect of each delivery and any fulfilment costs. In the event of any loss of or damage to the Consignment Goods whilst in Alliot's possession, the maximum liability of Alliot to the Customer or the End User in all circumstances shall be the replacement cost of the Consignment Goods and if Alliot was not the vendor of such Consignment Goods, the Customer shall provide evidence to Alliot of the cost of the Consignment Goods. Where Alliot is the vendor of any Goods comprising the Consignment Goods, the provisions of these Conditions shall apply to such of the Goods for which Alliot is the vendor. In respect of any goods in the Consignment Goods for which Alliot was not the vendor, these Conditions shall not apply, save for clauses 2.2, 2.4, 2.5, 2.6, clause 4 (but not clause 4.8), 6.1, 8.2, 9.4, 9.5, 9.6, 9.7, 9.8, 11, 12, 13.1, 13.2, 13.4, 14, 15, 16 and 17 (and such definitions in clause 1 as may be appropriate) and any reference to Goods in those surviving clauses shall be deemed to be a reference to the Consignment Goods or such part of the Consignment Goods as have been requested by the Customer from time to time.

5. Quality of Goods

- 5.1 Provided that the End User has provided all required facilities for the Goods to operate normally and provided that, where appropriate, software on any hardware is kept up to date, Alliot warrants that on delivery, and for the warranty period provided by individual product manufacturers in respect of particular products (including where any extended manufacturer's warranty is taken by the End User) ("**warranty period**"), the Goods shall:

- (a) conform in all material respects with the Goods Specification;
- (b) be free from material defects in design, material and workmanship; and
- (c) be of satisfactory quality (within the meaning of the Sale of Goods Act 1979),

and where there is no such manufacturer product warranty, Alliot warrants that the Goods shall be free of defects in workmanship and materials for the period of 12 months after despatch. Where agreed between Alliot and the Customer and upon payment of the relevant sums to Alliot, Alliot may provide additional warranties following the expiry of any manufacturer's warranty.

5.2 Subject to clause 5.3, Alliot shall, at its option, repair or replace the defective Goods, or refund the price of the defective Goods in full if:

- (a) the Customer or the End User gives notice in writing during the warranty period within a reasonable time of discovery that some or all of the Goods do not comply with the warranty set out in clause 5.1;
- (b) Alliot is given all requested information and a reasonable opportunity of examining such Goods (in its place of operation, if appropriate); and
- (c) the Customer or the End User (if asked to do so by Alliot) returns such Goods to Alliot's place of business at the Customer's cost,

and further detail of Alliot's warranty policy is available at www.alliot.co.uk/returns.

5.3 Alliot shall not be liable for the Goods' failure to comply with the warranty in clause 5.1 if:

- (a) the End User makes any further use of such Goods after giving a notice in accordance with clause 5.2;
- (b) the defect arises because the End User failed to follow Alliot's oral or written instructions as to the storage, installation, commissioning, use or maintenance of the Goods or (if there are none) good trade practice, including, but not limited to, if a waterproofed item is installed incorrectly;
- (c) the defect arises as a result of Alliot following any design or Goods Specification supplied by the Customer;
- (d) the Customer or the End User alters, adds to or repairs such Goods without the written consent of Alliot;
- (e) the defect arises as a result of fair wear and tear, wilful damage, negligence, or abnormal working conditions including, but not limited to, if a non-waterproof item is used outside; or
- (f) the Goods differ from their description as a result of changes made to ensure they comply with applicable statutory or regulatory standards.

5.4 Except as provided in this clause 5, Alliot shall have no liability to the Customer or the End User in respect of the Goods' failure to comply with the warranty set out in clause 5.1.

5.5 The terms of these Conditions shall apply to any repaired or replacement Goods supplied by Alliot.

6. Title and risk

- 6.1 The risk in the Goods shall pass to the Customer on completion of delivery where Alliot has arranged delivery or upon transfer of the Goods to the Customer's delivery agent where the Customer arranges its own delivery.
- 6.2 Where Goods are rented from Alliot, title shall be retained by Alliot at all times.
- 6.3 Save as provided in clause 6.2, title to the Goods shall not pass to the Customer or End User until Alliot receives payment in full (in cash or cleared funds) for (i) the Goods; and (ii) any other goods that Alliot has supplied to the Customer in respect of which payment has become due, in which case title to the Goods shall pass at the time of payment of all such sums.
- 6.4 Until title to the Goods has passed to the Customer, the Customer (or, if different, the End User) shall:
- (a) store the Goods separately from all other goods held by the Customer and not interfere with them in any way and so that they remain readily identifiable as Alliot's property;
 - (b) maintain the Goods in satisfactory condition and keep them insured against all risks for their full price on Alliot's behalf from the date of delivery;
 - (c) notify Alliot immediately if it becomes subject to any of the events listed in clause 14.1(b) to clause 14.1(d); and
 - (d) give Alliot such information relating to the Goods as Alliot may require from time to time.
- 6.5 Subject to clause 6.6, the Customer may resell or use the Goods in the ordinary course of its business (but not otherwise) before Alliot receives payment for the Goods. However, if the Customer resells the Goods before that time:
- (a) it does so as principal and not as Alliot's agent; and
 - (b) title to the Goods shall pass from Alliot to the Customer immediately before the time at which resale by the Customer occurs.
- 6.6 If before title to the Goods passes to the Customer or the End User, the Customer or the End User becomes subject to any of the events listed in clause 14.1(b) to clause 14.1(d), then, without limiting any other right or remedy Alliot may have:
- (a) the Customer's right to resell Goods or use them in the ordinary course of its business ceases immediately; and
 - (b) Alliot may at any time:
 - (i) require the Customer or, if different, the End User to deliver up all Goods in its possession which have not been resold, or irrevocably incorporated into another product; and
 - (ii) if the Customer fails to do so promptly, enter any premises of the Customer or of any third party (including that of the End User) where the Goods are stored in order to recover them.

7. Supply of Services

- 7.1 Alliot shall supply the Services to the Customer or, where appropriate, the End User as set out in the Service Specification and the Services will be provided using reasonable care and skill. Alliot shall be entitled to subcontract the delivery of the Services.
- 7.2 Alliot shall use all reasonable endeavours to meet any agreed performance dates for the Services, but any such dates shall be estimates only and time shall not be of the essence for the performance of the Services.

8. Customer's obligations

- 8.1 The Customer shall (and, if the Customer is not the End User, the Customer shall ensure that the End User, where appropriate, shall):
- (a) ensure that the terms of the Order are complete and accurate;
 - (b) co-operate in all matters relating to the provision of the Goods and the Services;
 - (c) provide Alliot, its employees, agents, consultants and subcontractors, with access to the relevant premises and facilities as reasonably required by Alliot to, where appropriate, provide the Services;
 - (d) provide Alliot with accurate information and any materials as Alliot may reasonably require to supply the Services;
 - (e) prepare the premises for the operation of the Goods or the supply of the Services;
 - (f) ensure that all software updates in respect of hardware are applied promptly after release;
 - (g) keep all equipment, documents and other property of Alliot (including the Goods where ownership of the Goods is not to pass) ("**Alliot Materials**") in safe custody at its own risk, maintain the Alliot Materials in good condition until (where appropriate) returned to Alliot, and not dispose of or use the Alliot Materials other than in accordance with Alliot's written instructions or authorisation.
- 8.2 If Alliot's performance of any of its obligations under the Contract is prevented or delayed by any act or omission by the Customer or failure by the Customer (or, in each case, by the End User) to perform any relevant obligation ("**Customer Default**"):
- (a) without limiting or affecting any other right or remedy available to it, Alliot shall have the right to suspend performance of the Services until the Customer or End User remedies the Customer Default, and the Customer Default shall relieve Alliot from the performance of any of its obligations whilst such Customer Default continues;
 - (b) Alliot shall not be liable for any costs or losses sustained or incurred by the Customer arising directly or indirectly from the Customer Default; and
 - (c) the Customer shall reimburse Alliot on written demand for any costs or losses sustained or incurred by Alliot arising directly or indirectly from the Customer Default.

9. Charges and payment

- 9.1 The price for Goods:

- (a) shall be the price set out in the Order or, if no price is quoted, the price set out in Alliot's published price list as at the date of the Order;
- (b) shall be exclusive of all costs and charges of packaging, insurance, transport of the Goods, which shall be invoiced to the Customer; and
- (c) shall not include any costs associated with taxes or export/import duties where Goods are being sent abroad, all of which shall be arranged and paid for by the Customer or End User.

9.2 The charges for Services and the Software shall be as set out in the Service Specification:

9.3 Alliot reserves the right to:

- (a) make a reasonable increase in the charges for the Services and/or the provision of the Software on an annual basis with effect from each anniversary of the Commencement Date;
- (b) increase the price of the Goods, by giving notice to the Customer at any time before delivery, to reflect any increase in the cost of the Goods to Alliot that is due to:
 - (i) any factor beyond the control of Alliot (including foreign exchange fluctuations, increases in taxes and duties, and increases imposed by its suppliers);
 - (ii) any request by the Customer to change the delivery date(s), quantities or types of Goods ordered, or the Goods Specification; or
 - (iii) any delay caused by any instructions of the Customer in respect of the Goods or failure of the Customer to give Alliot adequate or accurate information or instructions in respect of the Goods.

9.4 In respect of Goods, unless otherwise agreed in advance or there is an authorised credit account, the Customer shall pay for the Goods in advance of delivery. Where credit terms apply and unless otherwise agreed, the Goods shall be paid for within 30 days of despatch. No Goods shall be despatched if any credit limit would be exceeded or if any other invoices for the Customer are overdue. In respect of Services, Alliot shall invoice the Customer on completion of the Services.

9.5 The Customer shall pay each invoice submitted by Alliot:

- (a) unless otherwise agreed in writing, within 30 days of the date of the invoice or in accordance with any credit terms agreed by Alliot;
- (b) in the currency set out on the invoice; and
- (c) in full and in cleared funds to a bank account nominated in writing by Alliot by a method acceptable to Alliot,

and time for payment shall be of the essence of the Contract.

9.6 Unless otherwise stated, all amounts payable by the Customer under the Contract are exclusive of amounts in respect of value added tax chargeable from time to time ("VAT") and the Customer shall pay to Alliot any VAT as is chargeable.

9.7 If the Customer fails to make a payment due to Alliot under the Contract by the due date, then, without limiting Alliot's other remedies (including informing credit reference agencies), the Customer shall pay interest on the overdue sum from the due date until payment of the overdue sum, whether before or after

judgment. Interest under this clause 9.7 will accrue each day at 4% a year above the Bank of England's base rate from time to time, but at 4% a year for any period when that base rate is below 0%.

9.8 All amounts due under the Contract shall be paid in full without any set-off, counterclaim, deduction or withholding.

10. Intellectual property rights

All Intellectual Property Rights in or arising out of or in connection with the Services or Software shall be owned by Alliot or Alliot's licensors and nothing in these Conditions shall be construed so as to transfer such ownership.

11. Data protection and data processing

11.1 Both parties will comply with all applicable requirements of the Data Protection Legislation.

11.2 Alliot shall only use personal data supplied to it by the Customer for the purposes of fulfilling the Contract, for assessing any level of credit to extend and personal data will not be otherwise transferred to a third party except as required in connection with Order fulfilment (for example, to delivery agents) or as may be permitted by law.

11.3 The Customer will ensure that it has all necessary consents and notices in place to enable lawful transfer of personal data to Alliot to enable Alliot to fulfil the Order.

12. Confidentiality

12.1 Each party undertakes that it shall not at any time disclose to any person any confidential information concerning the business, method of doing business, affairs, customers, clients or suppliers of the other party, except as permitted by clause 12.2.

12.2 Each party may disclose the other party's confidential information:

12.3 Neither party shall use the other party's confidential information for any purpose other than to perform its obligations under the Contract.

13. Limitation of liability

(a) death or personal injury caused by its negligence, or the negligence of its employees, agents or subcontractors;

- (b) fraud or fraudulent misrepresentation;
 - (c) breach of the terms implied by section 2 of the Supply of Goods and Services Act 1982 (title and quiet possession);

or
 - (e) defective products under the Consumer Protection Act 1987.
- 13.2 Subject to clause 13.1, Alliot shall not be liable to the Customer (or, for the avoidance of doubt, the End User, if different), whether in contract, tort (including negligence), for breach of statutory duty, or otherwise, arising under or in connection with the Contract for (a) loss of profits; (b) loss of sales or business, (c) loss of anticipated savings, (d) loss of use or corruption of software or data, (e) loss of or damage to goodwill, or (f) any indirect or consequential loss.
- 13.3 Subject to clause 13.1, Alliot's total liability to the Customer, whether in contract, tort (including negligence), breach of statutory duty or otherwise, arising under or in connection with the Contract, shall be limited to:

 - (b) in the case of any other claim or series of claims arising out of the same event or circumstances be limited to the amount of the price paid by the Customer for the Goods pursuant to the Contract.
- 13.4 The terms implied by sections 13 to 15 of the Sale of Goods Act 1979 and the terms implied by sections 3 to 5 of the Supply of Goods and Services Act 1982 are, to the fullest extent permitted by law, excluded from the Contract.
- 13.5 This clause 13 shall survive termination of the Contract.

14. Termination

- 14.1 Without affecting any other right or remedy available to it, either party may terminate the Contract with immediate effect by giving written notice to the other party if:
- (a) the other party commits a material breach of its obligations under the Contract and (if such breach is remediable) fails to remedy that breach within 7 days after receipt of notice in writing to do so;
 - (b) the other party takes any step or action in connection with its entering administration, provisional liquidation or any composition or arrangement with its creditors (other than in relation to a solvent restructuring), being wound up (whether voluntarily or by order of the court, unless for the purpose of a solvent restructuring), having a receiver appointed to any of its assets or ceasing to carry on business or, if the step or action is taken in another jurisdiction, in connection with any analogous procedure in the relevant jurisdiction;
 - (c) the other party suspends, or threatens to suspend, or ceases or threatens to cease to carry on all or a substantial part of its business; or
 - (d) the other party's financial position deteriorates to such an extent that in the terminating party's opinion the other party's capability to adequately fulfil its obligations under the Contract has been placed in jeopardy.

14.2 Without affecting any other right or remedy available to it, Alliot may terminate the Contract with immediate effect by giving written notice to the Customer if the Customer fails to pay any amount due under the Contract on the due date for payment.

14.3 Without affecting any other right or remedy available to it, Alliot may suspend the supply of Services or access to Software or further deliveries of Goods under the Contract or any other contract between the Customer and Alliot if the Customer fails to pay any amount due under the Contract on the due date for payment, the Customer becomes subject to any of the events listed in clause 14.1, or Alliot reasonably believes that the Customer is about to become subject to any of them.

15. Consequences of termination

15.1 On termination of the Contract, the Customer shall immediately pay to Alliot all outstanding unpaid invoices and interest and, in respect of Services, Software and Goods supplied but for which no invoice has been submitted, Alliot shall submit an invoice, which shall be payable by the Customer immediately on receipt.

15.2 Termination of the Contract shall not affect any rights, remedies, obligations and liabilities of the parties that have accrued up to the date of termination, including the right to claim damages in respect of any breach of the Contract which existed at or before the date of termination.

16. Force majeure

17. General

17.2 Notices.

17.3 **Severance.** If any provision or part-provision of the Contract is or becomes invalid, illegal or unenforceable, it shall be deemed modified to the minimum extent necessary to make it valid, legal and enforceable. If such modification is not possible, the relevant provision or part-provision shall be deemed deleted. Any

modification to or deletion of a provision or part-provision under this clause shall not affect the validity and enforceability of the rest of the Contract.

- 17.4 **Waiver.** A waiver of any right or remedy under the Contract or by law is only effective if given in writing and shall not be deemed a waiver of any subsequent breach or default. A failure or delay by a party to exercise any right or remedy provided under the Contract or by law shall not constitute a waiver of that right or remedy, nor shall it prevent or restrict any further exercise of that or any other right or remedy. No single or partial exercise of any right or remedy provided under the Contract or by law shall prevent or restrict the further exercise of that or any other right or remedy.
- 17.5 **Entire agreement.**
- (a) The Contract constitutes the entire agreement between the parties and supersedes and extinguishes all previous agreements, promises, assurances, warranties, representations and understandings between them, whether written or oral, relating to its subject matter.
 - (b) Each party acknowledges that in entering into the Contract it does not rely on, and shall have no remedies in respect of any statement, representation, assurance or warranty (whether made innocently or negligently) that is not set out in the Contract. Each party agrees that it shall have no claim for innocent or negligent misrepresentation based on any statement in the Contract.
- 17.6 **Third parties rights.** The Contract does not give rise to any rights under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of the Contract.
- 17.7 **Variation.** Except as set out in these Conditions, no variation of the Contract shall be effective unless it is agreed in writing and signed by the parties (or their authorised representatives).
- 17.8 **Governing law and Jurisdiction.** The Contract and any dispute or claim (including non-contractual disputes or claims) arising out of or in connection with it or its subject matter or formation shall be governed by and construed in accordance with English law. Each party irrevocably agrees that the courts of England shall have exclusive jurisdiction to settle any dispute or claim (including non-contractual disputes or claims) arising out of or in connection with the Contract or its subject matter or formation.
